GASKET KIT FOR FILLING VALVE 243292

Article number:

EAN-Code: 364321

3838912033512

For long-lasting performance and customer satisfaction, we recommend using only genuine spare parts. You can rely on finding the right spare part for your cistern, even if it has been in use for many years.

All our concealed and exposed cistern models offer a 25-year availability of authentic spare parts, providing added peace of mind when choosing our products.

PRODUCT CONTAINS

5 O-rings

5 cylindrical seals
